What is Feeding Hands/ Feeding Hearts?

Feeding Hands/Feeding Hearts (FHFH) Food Pantry is a ministry outreach of Hillcrest Church of Christ. The mission of FHFH is to put our love for God and our fellow man into action by providing food to the hungry.

FHFH provides non-perishable food items and hygiene products to those in the community who need food. We serve anyone 18 years of age or older, regardless of race, gender, or religious affiliation. Individuals may visit the pantry once per month to receive assistance.

In addition to physical nourishment, FHFH is committed to providing spiritual food as well. Spiritual guidance and Bible classes are available to anyone interested in learning more about God and his Church. We invite everyone to worship with us at Hillcrest Church of Christ.

Support Services

FHFH recognizes that hunger is only part of the problem, therefore we may provide information to connect people with other resources in the community. Many of these agencies may be able to offer further assistance to help meet additional needs.

FHFH is funded by the Hillcrest Church of Christ, the donations of its members and community supporters. Please contact us to find out ways in which you might help.
